Reminder - Mission Insight Data Collection

The District has begun an effort to understand how the changing demographics and cultural trends in our geographic area impact our churches in the Delaware District. We seek to understand where "Christ is on the move" within our District. Our goals include helping us discover opportunities to serve and minister to our communities.

Therefore, we are asking you to simply provide us a roster of your active members and constituents (those that participate in your church). The active list should be of local members and constituents only, not those that live outside of commuting distance.

Thank you to our churches who have already submitted their rosters. To those who have yet to submit, we ask that you please do so as soon as possible.

Methodist *ACTION* Program

From the Desk of the Executive Director . . .

This week I am happy to report that a UM-associated organization has had a success! *Bread for the World* reported on Wednesday that the House of Representatives has passed the *Global Malnutrition Prevention and Treatment Act*. This act builds on Bread for the World's decades-long efforts to prevent global malnutrition and will ensure that tens of millions of children have a chance to not only survive – but also thrive.

The challenge now is for the bill to pass the Senate. Please email our senators to urge them to support the bill (S.2956).

MAP works with many such organizations concerned with domestic and international justice.

2022 Annual Conference to be *Virtual*

June 16-18, 2022 Virtual Platform

The Sessions team weighed advantages and disadvantages of in-person, virtual, and hybrid models. The virtual option is the most accessible to the greatest number of people (including laity and retirees), better stewards our financial and natural resources, and privileges life and health during the ongoing covid pandemic.

The schedule three day incorporates clergy and laity sessions, a full day of plenary, and the memorial, ordination and commissioning services.

Additional details and updates will be posted to the PDC website as they become available.

GENERAL INFORMATION

Foster Parenting - Cayuga Centers of Delaware

My name is Andrea McCoy-Carty, Foster Parent Ambassador for Cayuga Centers of Delaware. As Foster Parent Ambassador, my goal is to provide pragmatic strategies and resources for recruiting and retaining foster families. Thus, continuing to provide a pool of prospective and well-trained applicants for foster care licensure, while assisting in community outreach.

The key is working together with other professionals and stakeholders in designing and planning fostering services. Most foster parents find the work rewarding but often describe it as demanding as they manage challenging situations

Fostering with Cayuga Centers means, receiving daily support from empathetic staff all while respecting "social distance". Stability is the key factor for the foster youth in achieving positive outcomes.
