COVID-19 Renter's Assistance Program

Delaware State Housing Authority

The Delaware State Housing Authority was awarded Millions of Dollars, for Delaware Renters whose income has been impacted by COVID-19 or who have experienced financial hardship due to the pandemic with rental assistance. This also includes individuals who are renting a room from someone. And its effective back to 4/2020 through forward. **(program is good up through 2025).**

The program can pay up to 18 months of rent (previously 15 months). It covers 3 month increments. Meaning you'd have to re-certify every 3 months and report if your income has changed. But as long as you remain below the financial eligibility requirements, you are eligible. (NOTE: YOU DO NOT HAVE TO BE PAST DUE W/ RENT). You can be current.

Go to: <https://decovidhousinghelp.com/>

If you have received funds previously (e.g. 3 months), you are still eligible to apply for additional funding, up to 15 months.

If you are a landlord: You can apply for your tenants who are struggling. Instead of focusing on the eviction process.

Reconciling Ministries Bible Study

Thurs., Jun 23 – Aug 18 6:00-7:45 PM Epworth/Zoom

- What questions do you have about how we use Bible passages to justify our actions and opinions?
- Why do differences in scriptural interpretation cause so much division among us?
- What does the use of the term "abomination" mean to you?
- How can we love our neighbor as we want to be loved? Who is our neighbor?
- Can we meet hate with love?

The course is based on the mandate set forth at 2 Corinthians 5:18 - *All this is from God, who reconciled us to himself through Christ, and has given us the ministry of reconciliation.* We study the biblical passages and biblical principles that are most relevant in determining the position of the "Church" or the "Synagogue" with respect to the inclusion or exclusion of members of the gay community.

The classes are open to anyone who wishes to take it, regardless of membership or attendance at Epworth. Our target group is all people who are interested in understanding what the Bible has to say about the controversy within the "Church" and the "Synagogue" over the participation of LGBTQ people as full members of the Judeo-Christian religious community.

Methodist **ACTION** Program

www.mapde.org

From the Desk of the Executive Director . . .

There are two issues I need to address this week. First one: Last week I attended the House Administration Committee meeting at the State of Delaware's Legislative Hall. At question was Delaware's Green Amendment. Following is a link to the Admin Committee page on the state legislative website:

<https://legis.delaware.gov/CommitteeDetail?committeeId=536>

Despite multiple and urgent pleas by citizens, during the hearing on HB 220 (Green Amendment) the committee caved in to polluting businesses and related special interests and tabled the bill. The main sponsor, Rep. Madinah Wilson-Anton was attempting to get clarity on what specific concerns the committee had so she could make clarifications in the bill. At that point, Rep. David Short made a motion to table the bill, and all but two of the committee members voted yes. In essence, this body voted against a clean environment and in favor of polluting industries in Delaware. I may not have believed this if I had not heard and seen it with my own ears and eyes.

Another bill is coming before a different House committee, hopefully, next week. All United Methodists who know the Social Principles will want to support it. Fortunately, there is a really easy way to do this. I'm sending a tool to all Delaware District clergy that will allow you to contact the governor, committee members, and your own House Representative to support SB 305, the Delaware Climate Action Solutions Act. If you do not receive this link and would like to, please email me at mapde.org@gmail.com. Meanwhile, I can offer a link to a website where you can send an email to just the committee members (below and on the MAP Facebook page - type Methodist Action Program in the Facebook search bar). Please do not delay – the hearing may be as early as Tuesday, June 21.

<https://www.sierraclub.org/Delaware>

Reminder of our Social Principles about greenhouse gasses and climate change:

"We acknowledge the global impact of humanity's disregard for God's creation. Rampant industrialization and the corresponding increase in the use of fossil fuels have led to a buildup of pollutants in the earth's atmosphere. These "greenhouse gas" emissions threaten to alter dramatically the earth's climate for generations to come with severe environmental, economic, and social implications. The adverse impacts of global climate change disproportionately affect individuals and nations least responsible for the emissions. We therefore support efforts of all governments to require mandatory reductions in greenhouse gas emissions and call on individuals, congregations, businesses, industries, and communities to reduce their emissions"

¶160 (D) Global Climate Stewardship

The second issue is a continuing one, but it becomes more acute in the summer months... that of food insecurity for students and their families in the absence of school-based feeding programs. I urge you to check out <https://www.bread.org/community-action> and find the link to TAKE ACTION: DOMESTIC HUNGER to find more information; following is a link to send a letter to our Congresspersons on this issue.

<https://secure.bread.org/site/Advocacy?cmd=display&page=UserAction&id=433>

Also, please share what your churches are doing about this issue, so I may share it in an upcoming article. This fall, MAP is looking at an opportunity to join an advocacy training event with bread.org, so stay tuned for more information.

GENERAL INFORMATION

Foster Parenting - Cayuga Centers of Delaware

My name is Andrea McCoy-Carty, Foster Parent Ambassador for Cayuga Centers of Delaware. As Foster Parent Ambassador, my goal is to provide pragmatic strategies and resources for recruiting and retaining foster families. Thus, continuing to provide a pool of prospective and well-trained applicants for foster care licensure, while assisting in community outreach.

The key is working together with other professionals and stakeholders in designing and planning fostering services. Most foster parents find the work rewarding but often describe it as demanding as they manage challenging situations

Fostering with Cayuga Centers means, receiving daily support from empathetic staff all while respecting "social distance". Stability is the key factor for the foster youth in achieving positive outcomes.
